

# DOWNTOWN BELLEVUE WALKING TOURS

**Saturday, April 27 or Wednesday, May 1 • 9 a.m.**

**Meet at City Hall Plaza, 450 110th Ave NE, outside entrance, rain or shine.**

Join City of Bellevue staff for guided walking tours as part of the ongoing Downtown Livability Initiative. Staff will be seeking input as the Land Use Code for Downtown is updated. The tours will explore the evolution of Downtown as a place for jobs, residents and visitors – highlighting some of the emerging Downtown neighborhoods, public gathering spaces, and future development opportunities. Walkers may choose from a north or south walking route on either day.

**Tours are open to the public, last 2.5 hours and include a stop for coffee and conversation.**

Please RSVP to **Julie Ellenhorn** at [jellenhorn@bellevuewa.gov](mailto:jellenhorn@bellevuewa.gov) or **425-452-5372**
